Including Travel Days

A Youth
Exchange by
Splendy

Project Objectives

- To significantly increase participants' **awareness** and **understanding** of **environmental challenges** through non-formal educational activities.
- To strengthen **social inclusion** and **intercultural understanding** by fostering cooperation among young people from different countries and backgrounds.
- To enhance participants' key competences, supporting their **personal development** and **future professional pathways**.
- To improve the partnership's capacity to design and implement **eco-sustainable activities** at local and transnational level.
- To produce five **environmental podcasts** within the local communities, ensuring their **sustainability** and **long-term accessibility**.

Participants and Partners

The youth exchange will involve 24 participants, 4 group leaders and 1 facilitator.

coming from Italy, Bulgaria, turkey and Latvia.

the participation of young neets (not engaged in education, employment or training) and those who never joined erasmus+ projects will be prioritised.

- **Splendy** the Hosting Organization for Italy
- **Orange Foundation** for Bulgaria
- **Dijital Yaşam Yeşil Gelecek Derneği** for Turkey
- **Biedrība "Inspiria"** for Latvia

Accommodation

The youth exchange will take place in **Paestum** (SA), in the municipality of **Capaccio Paestum**, along the Cilento coast, an area known for its **sandy beaches**, **Mediterranean** landscapes and famous **archaeological site**.

The exchange will be hosted at **Mare Pineta Camping Village**, a **seaside village** surrounded by nature, offering comfortable bungalows and mobile homes with kitchens and outdoor spaces, as well as direct access to a private sandy beach.

During the exchange, we will prepare **three main meals** every day for all participants, taking into account dietary needs, allergies and specific food requirements. Each participant will also receive **a towel set**, with one small towel and one body towel.

- Don't forget to bring a solar cream, your swimming suit, positive attitude and your smile!

- Attendance is Mandatory: Be present at all sessions and activities. (Inform organizers if you're unwell or absent for a valid reason)

- Be On Time.

- Stay Engaged : Participate actively and contribute positively to the group.
- Treat participants, organizers, and locals with kindness. Embrace different cultures and perspectives.

Travel

To reach the project venue you should fly to Naples International Airport (NAP). This is the best and easiest airport option for reaching the venue.

From Naples Airport, you should take the airport connection to Napoli Centrale station and then continue by train to Paestum. Once you arrive at Paestum station, they will be picked up by the organisers and transferred to the venue. For this reason, it is very important to communicate your arrival time at the station to the project coordinators in advance, so that the pick-up can be properly organised.

Please pay particular attention to your arrival time to the airport. The last suitable train from Napoli Centrale to Paestum leaves at approximately 20:45, so participants should not choose flights landing in Naples later than 18:45 to be safe and avoid the risk of having to spend the night at the airport.

Reimbursement

Participants must get in touch with the project coordinators and agree with them on the travel route before purchasing any tickets. Splendy is not responsible for tickets purchased without prior consultation.

The maximum reimbursement amount is €309 per participant. Keep all original travel documents, including plane, bus and train tickets, invoices and boarding passes, in digital and paper form whenever available. Reimbursement cannot be processed without the required travel documents.

SAFE TRAVELS AND SEE YOU VERY SOON!
